**AC TECH**

Variable speed AC motor drives

**AIMCO**

Air & DC Nutrunners, Ergo drives, screwdrivers, hand held inline pulse tools & ratchet wrenches, cordless tools

**AIR TURBINE**

High speed spindles & motors

**ANIMATICS / OEM DYNAMICS**

Smart motor servos - integrated servo motors

**APEX DYNAMICS**

Standard & high precision planetary gearheads/straight & right angle

**ASG**

Cordless tools, brushless DC fastening tools & systems, clean room series screwdrivers, electric & pneumatic screwdrivers

**AUTOMATIC VALVE**

Pneumatic directional control valves

**CARLO GAVAZZI**

Sensors, panel meters, solid state relays, & power supplies

**CONTRINEX**

Inductive & photoelectric proximity switches, optical fibers, connecting cables, & accessories

**DART CONTROLS**

Analog, digital & brushless DC motor controls, inverters, DC motors, & tachometers

**DYNAMCO**

Pneumatic directional control valves/solenoid & air pilot, pneumatic logic components

**EUROBEX**

Metallic electrical enclosures, terminal boxes, cabinets, & control desks

**FABCO-AIR**

Pneumatic valves, cylinders, grippers, vacuum systems, linear slides & air presses

**FAZTEK**

Aluminum extrusion, & modular framing systems

**FESTO CORPORATION**

Pneumatic systems-valves, cylinders rotary actuators, grippers, vacuum systems, & integrated controls

**FLORIDA PNEUMATIC**

Air screwdrivers, grinders, sanders, pneumatic drills, & impact wrenches

**HITACHI**

Variable frequency drives, open loop vector drives, & accessories

**IR / ARO**

Pneumatic valves, pneumatic logic, pneumatic cylinders, controls, fluid transfer pumps, air line accessories, air & electric self-feed drilling units, & pneumatic motors

**LEUZE/LUMIFLEX**

Safety light curtains, barriers & grids, bar code readers, & optical sensors

**MACROMATIC**

Industrial timers & monitoring products

**MASTER PNEUMATIC**

Pneumatic filter/regulator/lubricator

**MENCOM**

Distribution blocks, cables & cordsets

**MOELLER ELECTRIC**

Easy programmable relays, motor starters, relays, PLCs, pushbuttons, circuit breakers, & timers

**MONNIER**

Filter/regulator/lubricators & access.

**MURR ELEKTRONIK**

DC power supplies, transformers, DIN connectors, distribution blocks, M8/M12 cordsets & connectors, relays, & timers

**NASON**

Pressure, temperature & vacuum switches, pneumatic & hydraulic cylinders

**NYCOIL**

Pneumatic hoses, fittings, blow guns

**OETIKER**

Clamps, rings, & swing couplers

**PATLITE**

Signal & cube towers, safety products, & light trees

**PNEUMADYNE**

Mini air valves, fittings, accessories, valves & timers, & manifolds

**PNEUMATIC CYLINDERS & COUPLERS**

NFPA cylinders, stainless, standard, custom, & rod alignment couplers

**POLYCONN**

Brass & plastic push-to-connect fittings, compression fittings, pipe fittings, & tubing

**READING TECHNOLOGIES**

In-line air dryers, coalescing filters, & desiccant dryers

**SCHMALZ**

Vacuum pumps (electric & air driven) cups, switches, compliance devices

**SIOUX TOOLS**

Hand-held industrial air tools

**SMAC**

Moving coil actuators - linear & linear/rotary, grippers, & X/Y table actuator

**SPC**

Push-to-connect pneumatic fittings, flow controls, & high-speed rotary

**STC**

Filter/regulator/lubricators, fittings, accessories, tubing & valves

**THK**

Precision linear guides, ball screws, ball splines, & linear actuators

**VYNCKIER ENCLOSURES**

Non-metallic electrical enclosures, terminal boxes, cabinets, & control desks
